The main assembly diagrams show the construction of the fuselage. Key parts include:

- A26, A19:** Wing structure components.
- A28:** Wing attachment bracket.
- A35:** Wing support structure.
- A11, A5:** Landing gear components.
- B6:** Landing gear fairing.
- F4:** Landing gear door.
- B5, B1, B2, B10:** Fuselage sections and internal bracing.
- A36, A33:** Landing gear struts and wheels.
- A22, A23:** Landing gear axle components.

 Red markings indicate parts to be removed, and blue markings indicate photo-etched parts. A large red watermark 'www.jadarhobby.pl' is overlaid on the diagrams.
