Jadar-Model Warszawa... #Salon Modelarski - Raj dla modelarzy

In 2013 Romanian government buy from Portugal 12 F-16's (9 one seaters and 3 two seaters) After refurbishing in Portuguese OGMA company planes was delivered by flight in two tranches. First six planes in the end of 2016 and last six in 2017. Repainted planes have a new camouflage called Carpathian Ghost. Romanian serials for these aircrafts are 1601 to 1609 for one seaters and 1610 to 1612 for two seaters and especilaly for it Romanian Air Force re-established Escadrila 53 „War Hawks” which is based in 86 Air Base.
