**WARNING!**  
This set contains small and sharp parts.  
Work carefully in a ventilated and well-lit  
room. Safety glasses are recommended.  
This product is not suitable for children  
14 years or younger.

This set contains printed and photoetched parts. Choose appropriate shade of belt and trim on dotted line using very sharp knife. Remove the printed foil from foundation paper. Trim to required length according to the type of seatbelt. Flatten out and thread through photoetched parts. Glue using white glue, do not use chemical glue that eches plastic. When applying, look at photos of cockpit of individual machines. After glued and shaped, paint with matt warnish.
