Polecamy!

A Firefly Hybrid Mk IC

Regiment 4th Armoured Skorpion
2nd Armoured Brigade, Italy in 1943-46

NOTE: The tank is very dusty so it's hard to see the locations of the turret markings.

B Firefly Hybrid Mk IC

1st Kreschowiecki Ułans, 2nd Warszawska
Armoured Division, Italy in 1944-45

According to some references the horse-head should be white.

IB
1/35 scale
This marking was painted on a white placard and then fastened to the turret box.

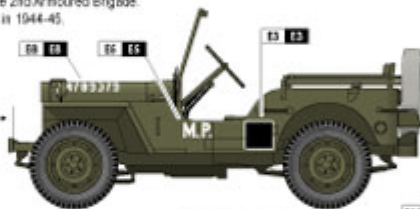

E Willys Jeep

Zandarmaria/Provost squadron
of the 2nd Armoured Brigade,
Italy in 1944-45.

1/35 scale

Black Red
E14 E14
These markings were painted on placards and fastened to the bumper.

C Sherman Mk IB

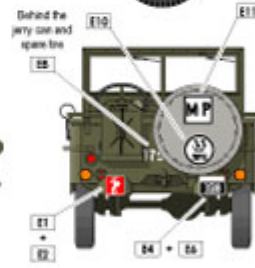

1st Kreschowiecki Ułans, 2nd Warszawska
Armoured Division, Loroño
Italy in August 1945.

According to some references the horse-head should be white.

Steel chevron tracks with dust-balls.

D M5A1 Halftrack

Regiment 4th Armoured Skorpion,
2nd Warszawska Armoured
Division, Italy in 1945.

1/35 scale

Red placard White placard

Black and orange banner with scorpion insignia.

Two component decals

JadarHobby

The markings are now done in a way to ensure that no detail is lost when printing proofs. Regiment insignia and A&S markings are often done this way. Simply attach the background decal to the model first, and then the second decal on top of it.
