Our components! This set contains 3 figures depicting German infantry during the French Campaign in 1940. Set features soldiers in various poses such as running NCO with MP40, marching rifleman, kneeling rifleman in firing position, and MG34 machine gunner and loader in prone position. Parts are included to enable to recreate all the variations. Furthermore, accessories such as helmets with camouflage are all sharply detailed. (Lithium) The M35 field uniform, featuring a shined M35 helmet, was used by the German army at the start of WWII. However, the Y-type suspenders had not yet been issued to all units at the time of the French Campaign.
